

# MENTORING OUTCOMES

One-on-one Kids Hope USA mentoring programs have a positive impact on not only students and mentors, but also on prayer partners, churches, schools, and communities. These survey results highlight the transformation that happens after a year of mentoring when a student gets to spend time with another caring, consistent adult.

## STUDENT IMPACT

**99%**

of teachers said mentoring is beneficial and an asset to a student's support team

**81%**  
of students improved in positive interactions with peers

**68%**  
of students improved in motivation for schoolwork

**80%**  
of students improved in positive behavior, self-regulation & control

**60%**  
of students improved in academic skills

**56%**  
of students improved in reading skills

**50%**  
of students improved in attendance

*"My student anticipates Thursdays every week because she can't wait to see her mentor. Her confidence has grown so much because of that hour a week. She is confident in reading aloud in class and sharing her thoughts more."*  
-Teacher

*"I'm really glad that I have my mentor with me. She's a really good influence and she makes me feel better about myself. Every time I'm feeling down, she always cheers me up."*  
-Student

## INCREASED CONFIDENCE

is a top positive outcome teachers saw in their students who had a Kids Hope USA mentor

## MENTOR IMPACT

**87%**

of mentors said they feel more connected to their church

**99%**

of mentors have found their mentoring time valuable for their student

**77%**

of mentors said mentoring has helped them live out their faith.

*"I love to see how excited my student gets when she sees me. It makes my heart happy to know that I can be someone who she trusts and can talk to."*  
-Mentor

# CHURCH & COMMUNITY IMPACT

Churches' partnerships with schools help them maintain their commitment to their community.

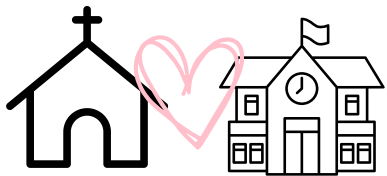

Pastors note that they have built relationships with staff, parents, and teachers through their Kids Hope USA program.

*"Kids Hope USA helped our church keep the vision of connecting with our community in front of the church."  
-Pastor*

Pastors say that Kids Hope USA raises awareness of societal issues in their communities.

*"This mentorship has been a consistent person that shows up for them and only them week after week. It makes all the difference."  
-Teacher*

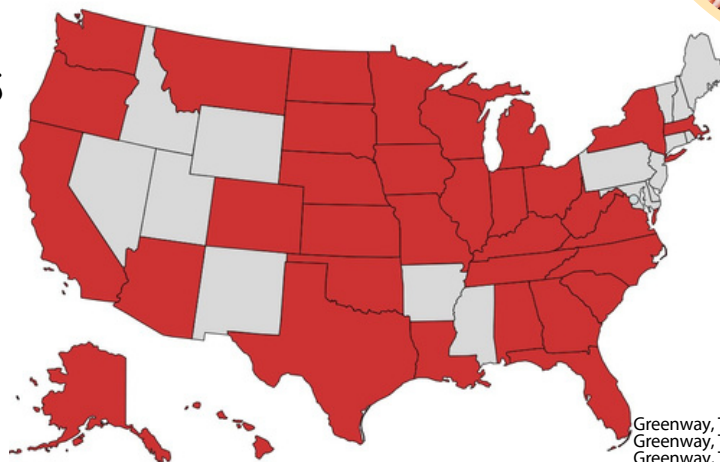

*"The positive interactions between our children and Kids Hope USA mentors have helped shape positive attitudes, behaviors, and friendships throughout our school."  
-Principal*
