“

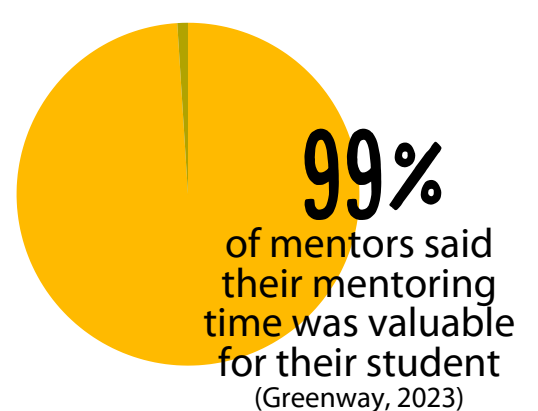

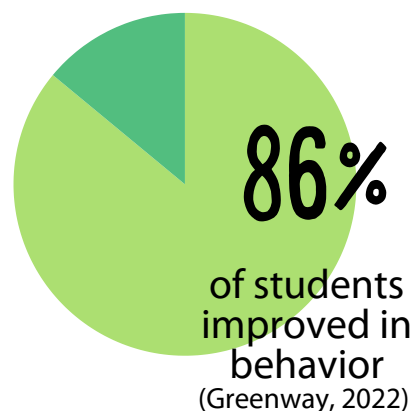

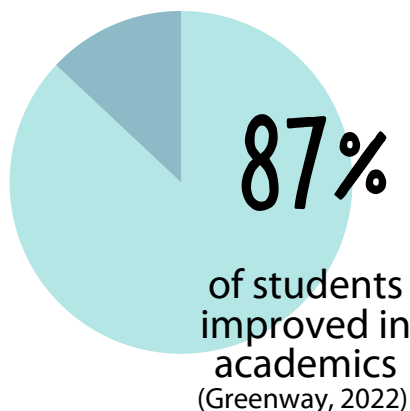

I have seen an increase in confidence and social skills with a decrease in anxiety and students building more self awareness and sharing emotions with their mentors.

Indiana

931

anticipated Kids Hope USA
student - mentor
relationships in 2024-2025

“

These mentors play a critical role in the growth and achievement of our students; the one-on-one relationships they have with students makes such a difference in the lives of both, the mentor and the child.

-Superintendent
